

KA Volleyball Adds National Level Experience to Coaching Staff

My name is Kelci French. I've been playing volleyball since I was 10 years old. I've had the opportunity to be coached by many different people throughout my career and play lots of different positions on the court. I started my club volleyball career playing with Air Attack in BC, then with the Dinos in Calgary after my family moved to Alberta in 2015. I played with the Youth and Junior National Teams. I then went on to play with the Senior National B Team, competing in the FISU games in Russia. I later went onto play for the Senior National A Team. I played 3 seasons of professional volleyball in Europe - two years in Cyprus, and 1 in Athens, Greece.

Volleyball has given me many opportunities to travel and make great friends. I am so excited to be a part of the Kate Andrews family and I can't wait to get on the court with your athletes!
