

Summer School: July 2 - 31, 2020

- **Summer School Course Schedule: July 2 - July 29, 2020**
- **Summer School Exams: July 30 - 31**

Registrations Dates

- **May 5 - June 15: Palliser students - Palliser students are asked to register May 5 - 20 so we can accommodate Palliser requests first.**
- **May 21- June 15: Non - Palliser registrations are accepted.**
- **Summer school registration closes June 15**

[Summer school information on our Palliser Beyond Borders website](#)

Request to register for summer school: <https://forms.gle/USpSN8R8RBLt3YnY8>

Students can request the orientation course plus up to 5 credits.

Registration does not qualify as automatic acceptance. Based on student demand and teacher availability summer school registrations will be reviewed and students will be advised if we can accommodate the request. Please complete the request to register sooner rather than later.

- Decisions for acceptance could take as long as June 15, 2020 and the week after. Early access will be granted as soon as we can after this date. Palliser students will not receive early access until after classes are finished at their primary high schools.
- Our summer registration will be limited and capped this year and courses offered will be determined by student demand and teacher availability. We will try to accommodate as many students and courses as possible.
- Students currently in online courses with Palliser Beyond Borders must finish their current course online before being accepted for summer school. Current students will not have extensions granted into summer school. All courses must be completed by the following deadlines as posted:
 - Diploma courses - June 9
 - Non - diploma courses - June 22

- Students MUST commit to being available to meet with teachers for formal instruction 9am - NOON PLUS an additional 3 hours every week day. Teachers will be offering afternoon & evening open office hours in Blackboard to support students who require additional flexibility. Students are reminded that one summer school day is EQUAL to ONE week of instruction for a regular academic year. [The summer school schedule details are posted here.](#)
- **Morning synchronous instruction will be worth your while!** Online synchronous classes will replace some assignments and instruction from the Moodle based course, which will reduce the amount of independent learning and ensure students are successfully completing. Research demonstrates that students complete with high levels of performance when in regular contact with their teacher. This is designed to replicate the face to face model that would be otherwise be offered in a non-covid era.
- Our summer courses will be offered from July 2-31 2020 with a mandatory online meeting on July 2nd at 9 am. Failure to attend this online meeting will risk forfeiting online access.
- The Getting Online orientation course must be completed by July 2, 2020. You must request this if you have not taken it before. The Getting online orientation course must be completed by July 2, 2020. Orientations will be held in June to ensure that students are prepared to start their summer course by July 2, 2020.

Monday June 1 @ 10 am

Monday June 8 @ 10 am

Monday June 15 @ 10 am

Monday June 22 @ 10 am

Monday June 29 @ 10 am

Tuesday June 23 @ 5 pm

- Depending on student demand and teacher availability, the 30-level courses may be offered. Alberta Ed has yet to advise whether students will be required to write Provincial Diploma Exams for courses completed in Summer 2020.
- Students must be available for mandatory morning classes online with their teachers daily, 9 -12 noon. Students will be expected to complete assignments in the afternoons and meet one on one in the afternoons as arranged with your teachers.
- Students who are going away on holidays and not able to attend on a daily basis will not be accepted.
- Adequate internet access is required (mobile access is not considered adequate).
- Notification of approval won't be granted until June 15, 2020. If you require assistance to complete this form please contact: pbb.registration@pallisersd.ab.ca

- Visit the link to view the [Summer School Schedule](#)
- Final Exams and summative assessment will be done online. No face to face meetings or sittings will be held.
- If Alberta Education does require diploma exams for the 30 level diploma courses we will advise as soon as we know and register students. Students need to be prepared to write during the first two weeks in August. Please do not plan to travel during this time.

Work Experience, Green Certificate and RAP

- Students can continue in these off campus programs during the summer. All health and safety requirements including Covid19 guidelines must be followed.
- Details about all three of these off campus programs including registration information can be found at palliseroffcampus.ca. Students should make every effort to register for Off Campus programs before June 15.
- Please email the Off Campus Teacher in your region with any questions you have:
 - [Charlene Foster](#) (Calgary and Vulcan)
 - [Jennifer Coutts](#) (Lethbridge area), 403-894-1328
