COALDALE MUSICAL ARTS SOCIETY: DESSERT CONCERT

The Coaldale Musical Arts Society (CMAS) is a non-profit, parent-run organization that supports the music programs at Kate Andrews High School and R.I Baker Middle School through the purchase of instruments and teaching tools, as well as subsidizing musical retreats and participation in festivals.

The 14th annual CMAS Dessert Concert is being held Friday, March 31st, 2023 at 6:30pm at the R.I Baker Middle School Gymnasium.

This event gives students a chance to perform in a formal setting, while showcasing their talents to peers, teachers and parents alike. Tickets are 20 dollars each and include a wonderful dessert and performances by musical ensembles from both schools, a silent auction, 50/50 raffle, and a special Cupper's Coffee fundraiser. Tickets will be for sale at R.I Baker as of March 6th and at Kate Andrews as of March 13th (checks payable to Coaldale Musical Arts Society).

As in the past, we are also asking for donations for the silent auction and parent volunteers to assist with the setup and serving at the concert. Any contribution you can make towards the event would be greatly appreciated by CMAS and the music students at both schools. Please contact Mr. Godin if you are able to help out.

Kate Andrews Athletics - Provincial Sponsorship Pledge Program

Dear Prospective Sponsor,

Kate Andrews High School Athletics is proud to present the Provincial Sponsorship Pledge Program. Having earned a trip to the 2021 2A Boys Volleyball Provincials, we have realized that our previous funding model is not adequate in supplementing team provincial trips. Giving a lot of thought to possible solutions, we have decided to introduce the PSPP.

Why join:

To provide our youth the opportunity to compete at the highest level and represent our community on a provincial stage, without the added stress of last minute fundraising.

Why is it necessary:

Zones to provincials is a quick turnaround. We generally need to leave for provincials three days after earning a spot. Provincial expenses are sometimes north of \$10 000 by the time you include accommodations, bussing, tournament fees, and some meals. There simply isn't enough time to make this turnaround possible on our own.

How it works:

You pledge to provide a donation to help subsidize a provincial trip this year. Upon one of our teams making provincials, we will contact you to confirm your support and provide directions for making the donation. If none of our teams make provincials, you need not make a donation.

What is our goal:

Our goal is to have \$10 000 pledged through the program each September. This will ensure that two provincial trips are well subsidized each year should we have the need.

For more information on how to join the Provincial Sponsorship Pledge Program, or should you have any questions or concerns regarding potential sponsorships, please contact our Athletic Director via the following email: Clayton.Ressler@pallisersd.ab.ca

We thank you for taking the time to consider sponsoring our Student Athletes at Kate Andrews High School.

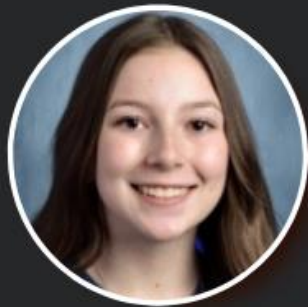

Best regards,

Kate Andrews High School Athletics Program

Passion - Sydney Pakla (Grade 12)

Nominated by: Miss Gurski

Sydney has demonstrated an exceptional standard of learning. She strives to achieve her absolute best, and learns from the feedback given to her. Sydney is not only dedicated to her studies, but she is passionate in extracurricular activities at KA. Fantastic work Sydney!

Responsibility - Karissa Marshall (Grade 11)

Nominated by: Mrs. Hurley & Miss Gurski

Karissa shows great pride in her studies. She hands in high quality work in Film Studies, and can be counted on to be engaged in the films. Karissa puts her best effort forward in absolutely everything she does. She almost always has her hand raised in class, shows enthusiasm and interest in course material and works with her peers in a way that is thoughtful and encouraging. Karissa takes responsibility for her work, whether it be asking for help, emailing teachers or getting caught up when she's away. She was also an active and engaged member of drama and was a leader both on and off the stage. Awesome work, Karissa!

Inclusivity - Karley Wright (Grade 11)

Nominated by Mrs. Mattatall

Karley is such a bright light in our school. She is always willing to introduce herself to new students in our school and to show them around. If she notices someone struggling to find a group or a partner for an activity in class, she is the first one to say that they can join her or her group. She always has a smile on her face and I think she is the epitome of inclusivity.

Determination - Greta Mikkola (Grade 9)

Nominated by Mrs. Hurley

In class, Greta always jumps right in, asks questions, and works hard. She tries her best and actively works to improve her grades by trying new strategies, asking for help and giving it her all every day. She is also a friendly student who is willing to help others and participate.

Engaged and Enthusiastic- Jamie Tolley (Grade 12)

Nominated by Miss Hanna

Jamie has worked extremely hard in Chem 30 and Bio 30 this semester. He is continually asking questions both during notes and work time so he can gain a better understanding. He is determined to do well this semester and that is evident by the work ethic he has shown so far. He is putting a lot of work into both classes outside of school as well and aiming to better his study skills. Jamie is always eager to participate in discussions, and takes the feedback he is given in stride.
