

KATE ANDREWS HIGH SCHOOL NEWSLETTER

Principal's Message

Welcome to May! It looks like Spring is finally here. It is so nice to have the longer days and warm weather. Please be sure to spend some time with your family getting outside and enjoying the changing seasons.

Congrats to our badminton teams for all their successes this season and good luck to those students heading off to Provincials this weekend. Softball and baseball are well on their way as well. Good luck this season.

Regarding the new school, our webpage is up and running. We have some information there, but it will continue to be a work in progress. Please check it out regularly to see what new information we will be posting. We have hopefully fixed the registration concerns and students are all picking classes for the coming year.

Stay tuned for a Parent Night coming up in the near future. It will be designed for next year's grades 7-10 students. We will talk about what junior high will look like as well as the first year of high school.

As always, if you have any questions or concerns, do not hesitate to contact me or your child's teacher.
