FOOD DRIVE

Kate Andrews High School will once again be participating in a Food Drive for the Coaldale Food Bank. On October 12th, homes will receive a yellow bag attached to their door in which to place nonperishable food items. The bags will be picked up on October 14 around noon. This drive provides much needed food to those in need within our community. Staff and student volunteers are needed to deliver bags and then pick up the donations for this very worthwhile cause. Students can sign up in the office or talk to Mrs. Swen. This has been incredibly successful over the years and Kate Andrews High School thanks you for your support!

ATHLETIC & OPTIONS FEES

Options Class, Phys. Ed. And Athletic fees are now posted on SchoolCashOnline. Please make sure to clear up any fees for students in your household. POST SECONDARY FAIR COMING TO KAHS

Grade 9 to 12 students from across Palliser and their parents/guardians are welcome to attend a post-secondary fair at Kate Andrews High School.

The event runs from 9 to 11 a.m., Wednesday, Oct. 12 at Kate Andrews High School.

The fair will feature recruiters from 18 organizations, including all of Alberta's post-secondary schools, the Canadian Forces and Royal Canadian Mounted Police.

Susan Schmidt, the career and academic counsellor at Kate Andrews High School and Coalhurst High, said the fair is a great opportunity for Grade 9 and 10 students to explore the wide range of opportunities available to them. It's still early in their high school lives, so the fair is a chance to discover programs they might not have thought about before.

For Grade 11 and 12 students, post-secondary life is quickly becoming a reality. They can use the fair to focus on more of the specifics each institution offers, such as scholarships, sports programs, residence options and more, Schmidt says.

The fair is an opportunity to confirm admission requirements for programs of specific interest to the student; learn more about specific programs; collect information about costs and scholarship opportunities; what supports and activities are available on campus; and how to arrange for a campus tour.

The fair is organized through the Educational Liaison Association of Alberta. The ELAA website includes resources for students and parents, including scholarship information. Visit <http://www.elaa.ab.ca/students>
